INFORMATION ON CONTINUED SUPPORT

We sincerely hope this newsletter finds you on a successful road to recovery! You are receiving this package because you, or a loved one, have received physical or financial support for post hospital care from the Nova Scotia Fire Fighters Burn Treatment Society. More information about the Society can be found on our website at www.nsffbts.ca.

Did you know that the support you received does not have to stop there? The NSFFBTS offers continuing support in other forms as well as post hospital care. For example, we offer a summer camp, Camp Connect, for survivors of burn injuries of all ages. Information about this camp can be found on our website noted above.

From time to time the Society may also offer a weekend seminar / retreat for adult survivors where their special physical and emotional needs / issues can be discussed with professionals whom they may likely have met at some point during their hospital stay. Of course, there is also some entertainment. These seminars / retreats are fully sponsored and covered financially by the Society to aid in your road to physical and emotional recovery.

There is also a national group, the Canadian Burn Survivors Community that is a wonderful source of information. This group hosts a conference every two years for survivors of burn injuries, and the professionals who are also involved with this type of trauma. This conference, the Canadian Burn Survivors Conference, is held in a different province across Canada each time and our Society generally covers all expenses to send 2-3 survivors of burn injuries to each these conferences. Our Society last hosted this conference in Halifax in 2018 and may soon host it once again. More information about the Canadian Burn Survivors Community can be found online at www.canadianburnsurvivors.ca.

The attached form is intended to gauge your interest in the support programs mentioned above. If you are interested in any of these programs, please complete the form and return it to us. The form can also be found and downloaded from our website at www.nsffbts.ca/funding.html. You can also refer to our website at any time to get all the latest activities and news the Society has to offer. If you do not wish to be contacted by us in the future, please note that on the form as well and we will delete your name and contact information from our records.

Should you have any questions or concerns related to this newsletter, the programs we offer, or the Society in general, please feel free to contact us at any time. Our contact information can be found at the top of this newsletter.

Sincerely,

*The Executive & Board Members of the
